

In the Specification:

Please amend the Abstract of the Disclosure portion of the specification. The Abstract of the Disclosure has been amended to set forth the general nature of the compound or composition claimed as well as its use and an exemplary process for making same. This amendment appears on sheet 78 of the specification as submitted herewith.

Page 51, line 15 of the Specification has been amended to include Scheme 1, thereby conforming the specification herein to that of the parent application.

REMARKSWith respect to the drawings:

The applicant respectfully sets forth that new corrected drawings in compliance with 37 CFR 1.121(d) have previously been filed. Please see the replacement drawing sheet filed on October 25, 2005 in connection with applicant's Petition to Correct Filing Date, designating prior Figure 1d as Figure 2. As prior drawing sheets 2a and 2b are being cancelled herein, and the specification has been amended as discussed below, the applicant respectfully requests that the drawings filed on October 25, 2005 be entered and allowed.

With respect to the specification:

The applicant respectfully sets forth that the disclosure has been previously amended to omit reference to Figure 1d and to correspond to Figures 1a, 1b, 1c, and 2, in both the Brief Description of the Drawings and the Detailed Description of the Invention sections thereof. Please see the amendment filed on October 25, 2005 in connection with applicant's Petition to Correct Filing Date, at page 11, lines 1-9; page 28, lines 11 and 16; and page 29, lines 3-4. Replacement drawing sheets corresponding to the amended disclosure were also filed on October 25, 2005. Prior drawing sheets
